

Preface

Since its inception, Ch. Devi Lal University, Sirsa has been a distinctive intellectual and educational community. I am elated to know that Chaudhary Devi Lal University, Sirsa is publishing its Annual Report 2015.

Annual Report presents the spectrum of all activities i.e. Academic, Research, Co-curricular and extracurricular run under the aegis of the institution. It gives a detailed account of the three pillars of higher education-Teaching, Research and Extension. We are committed through innovative research and quality education to grapple with the the key issues of our natural, academic and social words. CDLU has been considerable growth in the past few years, with the introduction of new courses of study, new disciplines, and new initiatives.

Each year we are called upon to renew and deepen the meaning of this extraordinary heritage, contributing to the shared creation of understanding in a context of free expression. As I review the details of this report, it is clear that the accomplishments recounted here are the result of extraordinary teamwork by the faculty, the staff, researchers and most importantly, our students: each plays a valued part in moving CDLU forward.
